Yevgeniy Brikman

Co-founder of Gruntwork
Author of *Hello, Startup* and *Terraform: Up & Running*

About me

Yevgeniy (Jim) Brikman loves programming, writing, speaking, traveling, and lifting heavy things. He does not love talking about himself in the 3rd person. He is the co-founder of Gruntwork, a company that provides DevOps as a Service. He's also the author of two books published by O'Reilly Media: *Hello, Startup* and *Terraform: Up & Running*. Previously, he worked as a software engineer at LinkedIn, TripAdvisor, Cisco Systems, and Thomson Financial and got his BS and Masters at Cornell University. For more info, check out his writing, speaking, projects, and photos.
